

Docket No. F-8917

Ser. No. 10/559,803

REMARKS

Claims 4-5, 10 and 12-16 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Applicants have amended the application to include claims only to subject matter deemed allowable.

Claims 7, 11 and 17 are cancelled herein.

Claim 4 is amended herein to incorporate all the limitations of claim 7, thereby putting claim 4 in independent form and in form for allowance.

Claims 5, 14, 15 and 16 depend upon claim 4 which has been put into form for allowance. Thus, claims 5, 14, 15 and 16 are in proper form for allowance.

Claim 10 is amended herein to incorporate all the limitations of claim 7, thereby putting claim 10 in independent form and in form for allowance.

Ser. No. 10/559,803

Claims 12 and 13 depend upon claim 10 which has been put into form for allowance. Thus, claims 12 and 13 are in proper form for allowance.

Claim 18 is amended herein to depend from claim 4 which has been put into form for allowance. In the last paragraph on page 18, bridging pages 18 and 19, of the substitute specification, it specifically discusses grinding the concave side of the bifocal lens to adjust corrective power of a lens with the structure recited in claim 4.

If there is a new issue raised by changing the dependency of claim 18 then the Examiner is invited to contact an Attorney for the Applicants to discuss cancellation of the claim, as previously discussed with Applicants' Attorney M. Zev Levoritz on August 19, 2008. Moreover, the Examiner is invited to contact an Attorney for the Applicants to discuss any other issue that may prevent issuance of a notice of allowance for the application.

No fee is believed due. If there is any fee due the USPTO is hereby authorized to charge such fee to Deposit Account No. 10-1250.

In light of the foregoing, the application is now believed to be in proper form for allowance of all claims and notice to that effect is earnestly solicited.
